FREQUENTLY ASKED QUESTIONS

When do I pay for the party?

A non-refundable deposit of \$100 is required to secure your booking date and time slot. The remaining balance is payable on completion of the party, once final costs have been confirmed with you.

What is the format of the party?

All parties run for 2 hours. Once the children have arrived they head out for the first round of 18 holes of Mini Golf with their supervisor, who gives a brief overview of how to play the game. After 18 holes, the children will come back into the party room to enjoy the food, drinks and birthday cake before heading out again for the second and final 18 holes, which will then be the conclusion of the party.

We ask that you vacate the party area by the designated time so that our staff can tidy the room and prepare it for the next party.

What happens if it rains on the day of the party?

If there is only slight or intermittent rain the mini golf will be open and play can continue. Both party rooms are undercover. The children should dress appropriately for the weather conditions. We also have some raincoats available for those who require them. If there is heavy rain or bad weather forecast, the children can use the driving range instead, which too is undercover.

When do I have to confirm final numbers?

When you make your booking, you will be asked to provide an estimate of the number of children attending. We will require the final number, no later than the Tuesday before the party. Please note this number is final and cannot be changed.

The final costing of the party will be based on this confirmed number or the actual number on the day, if it is higher.

Can I bring extra things to the party?

Feel free to bring along any additional party decorations, lolly bags or a birthday cake and don't forget the candles! We can provide a cake if required however, it will need to be ordered in advance.

Please note that we do not allow outside food to be brought into the party room or cafe, the exception being if you have booked a self catered party.

Do we need to have a supervisor?

Yes, all parties include a supervisor from the team at Thornleigh Golf Centre, unless all guests are over 12 years of age. If there is more than 10 guests, parents are also required to supervise the group.
